Professional Summary

Recent Information Science and Engineering graduate with a strong foundation in frontend development, specializing in HTML, CSS, Responsive Web Design, and JavaScript. Completed a MERN Stack internship and developed web applications using React.js, Node.js, Express.js, and MongoDB. Experienced in creating responsive, user-friendly interfaces and implementing modern web development practices. Passionate about building efficient web applications, continuously improving technical skills, and contributing to impactful software projects.

Internship Experience

Aitch Nu Global Technologies Pvt. Ltd., Bengaluru

MERN Stack Intern | Feb 2026 – May 2026

- Worked on full-stack web application development using the MERN stack.
- Developed and enhanced responsive frontend interfaces using React.js.
- Participated in API integration and CRUD-based application features.
- Worked with Git and GitHub for version control and collaboration.
- Tested application functionality and supported debugging activities.
- Gained practical exposure to authentication, REST APIs, and database operations.

Projects

InternFlow – Internship Management System

Technologies: React.js, Node.js, Express.js, MongoDB, JWT

- Developed a web-based internship management platform.
- Implemented student, employer, and admin modules.

- Created internship listing, application tracking, and status management features.
- Integrated frontend and backend using API calls.
- Implemented authentication and role-based access control.
- Designed responsive user interfaces for multiple screen sizes.

Personal Portfolio Website

Technologies: React.js, HTML5, CSS3

- Designed and developed a responsive portfolio website.
- Showcased projects, technical skills, and contact information.
- Optimized layouts for desktop, tablet, and mobile devices.

Interactive Dashboard

Technologies: React.js, JavaScript

- Built reusable UI components for structured data presentation.
- Developed interactive dashboard elements using React.js.

Certifications

- Responsive Web Design Certification – freeCodeCamp
- MERN Stack Internship Completion Certificate – Aitch Nu Global Technologies Pvt. Ltd.

Technical Skills

Frontend: HTML, CSS, Responsive Web Design, JavaScript, React.js

Backend: Node.js, Express.js

Database: MongoDB

Programming Languages: JavaScript, Python

Tools: Git, GitHub, VS Code

Concepts: REST APIs, CRUD Operations, Authentication, Authorization, Responsive Design

Education

Adichunchanagiri Institute of Technology (AIT)

Bachelor of Engineering – Information Science & Engineering

2022 – 2026

CGPA: 7.6

Govt PU College, Chikkamagaluru

PUC – 327/600

JVS High School, Chikkamagaluru

SSLC – 78%
